

PESCARA RANGE

Pescara Range brings you an array of surface finishes to cover any surface in your home. Floors, Walls, Exterior areas. The porcelain body features and easy to clean glaze that is offered in 3 surfaces that shows veining and subtle classic colours with natural movement.

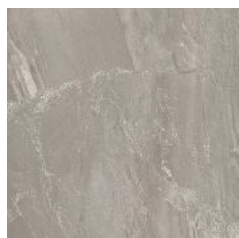

Matt surface provides a classic satin finish with slight texture providing the most natural look. Can be used for Floors and Walls. Polished surface lifts the depth of the product and features a high polished elegant look. Can be used for Floors and Walls. Antislip surface features a textured natural surface which co-ordinates in colour to the above Matt and Polished surfaces, perfect to continue the same theme allowing both indoor and outdoor to look similar providing indoor - outdoor flow.
