

Forest Range

The Forest range mixes contemporary styling with a subtle linear timber look. This tile is suitable for walls and floors.

This range has the strength of a porcelain body and ease of cleaning thanks to the

natural glaze surface.

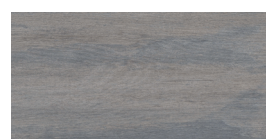

Clever size to suit the style... use as linear pattern, brick pattern or random offset pattern.

Forest White
Matt 300x600mm

Forest Grey
Matt 300x600mm

Forest Charcoal
