

Network Range

This Porcelain range has been designed in a unique way to look similar to carpet with carpet style textures incorporated into the tiles. If you want tiles without a natural stone type look then this range is for you.

With a rectified edge this 600x600 matt tile is finished to a high standard throughout that can be used on both floor and walls.

Network Bianco
Matt 600x600mm

Network Gris
Matt 600x600mm

Network Nero
Matt 600x600mm
