

Infinity

BATHROOM LINE

Manufacturers Warranty

Tilemax warrants product durability for the Infinity Bathroom Line, and that the goods supplied for the Infinity pre-form system are free of manufacturing defects for the following set periods.

Shower trays:

15 years (in-line with Branz and NewZealand building code requirements for wet area membrane systems).

Channel and Central waste fittings:

5 years (removable parts: 2 years).

Warranty period is stated from the time of purchase. We accept no liability for product transit or installation execution by the subtrade. As we do not have the ability to assess each application, the installer is required to confirm the suitability of infinity products for the selected application.

See supplier for warranty limitations and claim process detail.
