

# Artifact Range

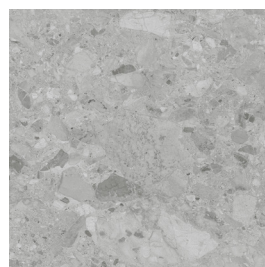

The Artifact range has unique features that have been designed to replicate natural pebbles and stones. If you want a polished stone look without the uneven surface, then this is the tile for you.

With a rectified edge this 600x600 tile is finished to a high standard throughout.

**Artifact Bianco**  
Polished 600x600mm

**Artifact Grigio**  
Polished 600x600mm
