

Munich Range

The Munich range features three distinct styles: the Decor and Enea 400x1200 wall ranges, and the Munich matt 600x600 floor tiles.

Munich Enea features three-dimensional linear lines, while the Munich Décor range features subtle decoration across the surface of the tile.

The Enea and Decor styles come in a 400x1200mm large format allowing for less grout lines and a more seamless look.

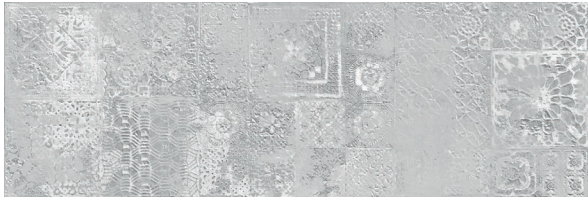

The 600x600 Munich floor tiles feature a matt surface with natural veining from piece to piece. They are colour matched to both the Decor and Enea wall tiles.
