

Mosaicfx Piscina Niebla Range

The Piscina Niebla range is great for both domestic and commercial use.

Excellent option for public/domestic swimming pools, spa pools and bathrooms. It features the use of 100% recycled glass throughout the manufacturing process.

25x25mm module on a 334x334mm sheet. Also features a polyurethane dot backing system which allows for excellent adhesion, flexibility and a speedy installation.

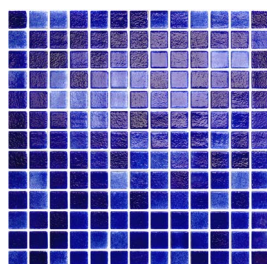

Environmental Promise

We use only 100% recycled glass to produce this mosaic range, demonstrating our promise to respect the environment.

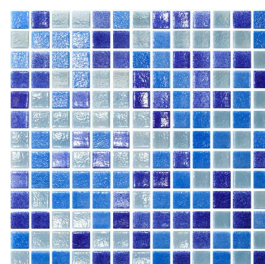

Product Made in Spain

MosaicFX Piscina Mosaics are produced 100% in Spain, positioning this range at the forefront of glass mosaic producers world-wide.
