

Stellar Range

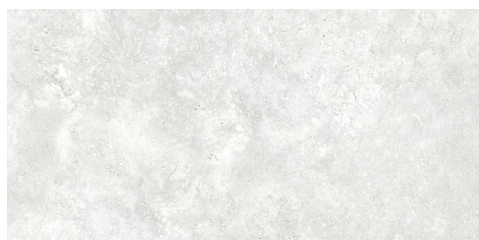

The Stellar range is one of our most popular ranges to date. Featuring a stunning soft stone style porcelain surface and a porcelain body suitable for floors and walls. The surface of this range has been produced and machined to provide a beautiful feel under foot. Like the feel of the worn and natural patina of stone.

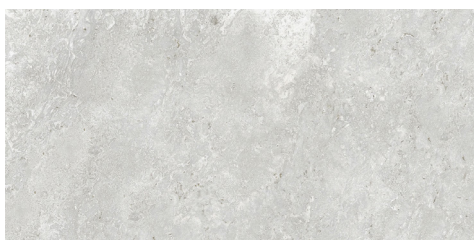

We offer this range in both the on-trend 450x900mm size and 900x900mm (on indent).

Stellar looks exceptional in bathrooms walls, floors and living spaces.

We also offer these tiles in a 600x600mm In-Out P4 Matt finish. The In-Out surface features the latest glazed technology, meaning the surface is easy clean yet slip resistant. This allows the tile to be used in both indoor and outdoor settings - perfect for a seamless look.
