CUSTOM CHANNEL GRATE FORM

Contact Name: _____ Contact Phone Number: _____

Invoice / Sales Order Number: _____

Channel Style: Tile Insert Grate | Channel Size: 100mm x 21mm 80mm x 23mm

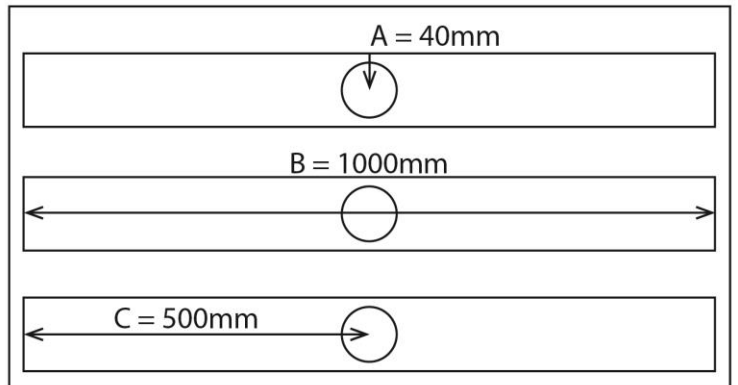

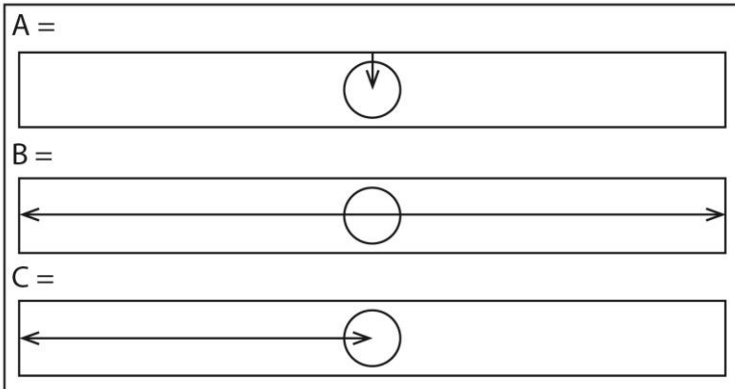

Channel Colour: Brushed Black Brushed Silver Nickel Brushed Gun Metal

Please draw an image below with the dimensions needed. There are three dimensions we require to complete your job:

A: Measurement from back edge of channel to centre of drain hole. Max offset = 10mm.

B: Length of channel end to end.

C: Offset drain placement – left hand edge to centre of drain hole (Outlet size 50mm)

Draw your channel here:

Note: All measurements must be in millimeters. All measurements are taken from top view of channel.
