FLOOR & WALL TILES

Inspired by the timeless elegance of Taj Mahal stone, Agra Botticino brings soft, creamy tones and delicate veining to a durable porcelain surface. Its warm, natural look adds understated luxury to any interior, creating a calm and inviting atmosphere.

The 450x900mm format enhances visual flow, reducing grout lines for a refined, seamless finish. Suitable for both walls and floors, this tile is perfect for bathrooms, living areas, and feature spaces.

Crafted from high-performance porcelain, this tile offers the beauty of natural stone with the practicality of modern materials, easy to maintain, hard-wearing, and effortlessly stylish.
