### WALL TILES

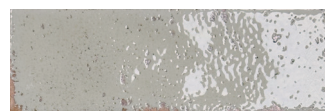

Musa is a 65x200mm tile collection that captures the look of handcrafted ceramics with a modern edge.

Each piece features a beautiful dappled gloss finish with subtle metallic touches that catch and reflect light, adding depth and interest to any space.

Musa is perfect for feature walls, splashbacks, or creative layout designs like herringbone or stacked patterns. Its slim profile and artisanal character make it ideal for both residential and commercial interiors.

Stylish and versatile, Musa brings warmth, texture, and a refined finish to kitchens, bathrooms, and more.

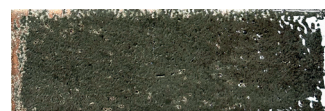

Not suitable for swimming pool use.
