FLOOR & WALL TILES

Palermo Carrara brings classic Italian elegance into modern spaces with a refined Carrara marble look featuring a soft white base and intricate grey veining.

The mat finish delivers a smooth, non-reflective surface that works beautifully in bathrooms, kitchens, and living areas. Its large 450x900mm format helps create a seamless look with fewer grout lines, giving spaces a clean, expansive feel. Ideal for both walls and floors, Palermo Carrara is moisture-resistant, low-maintenance, and built to withstand everyday wear. It's perfect for those seeking timeless style without the upkeep of natural stone.

Whether you're designing a serene bathroom retreat or a sophisticated kitchen, Palermo Carrara offers the perfect blend of luxury and practicality.
