

K-Stone Tile Range

K-Stone

FLOOR & WALL TILES

Transform your home with our modern K-Stone aggregate tiles with multiple faces. Featuring a unique combination of natural and toned coloured marble chips, these tiles offer a contemporary and stylish look that is sure to impress.

Available in three modern colours, you can choose the perfect shade to match your decor and bring a touch of glamour to your space. Perfect for flooring, walls, and feature walls, these tiles are both durable and low-maintenance, making them an ideal choice for busy New Zealand homes.

This range models the ever popular Kierrastone tiles.
