INSPIRATION GALLERY

OUR STORY

Widely recognised as the market leader in Basin, Bath and Floor Waste products, **Art Plumbing & Bathroomware** has an innovative solution for every project – Residential or Commercial. Our Bounty Bathroomware brand of designer products has heads turning around the world with our flagship Bermuda & Pop Down® products.

Whether you are looking for high fashion bathroom products in a range of electroplated and PVD finishes / colours, or the durability of Marine Grade 316 Stainless Steel for that high traffic area, Art Plumbing & Bathroomware has the solution.

There is no substitute for the peace of mind that comes with choosing products from a fully Australian owned and operated business with more than 30 years' experience in the industry, and our story is only just beginning.

POP DOWN[®]

PLUG & WASTES

LOOKS BETTER. IS BETTER! At last a quick close waste that is approved for basins and baths giving you a consistent look throughout your bathroom. It looks fantastic! It sits flush in the most commonly used “open position” for a superior aesthetic. It works brilliantly with super smooth opening and closing, along with easy to remove cartridge for cleaning and drain access.

**LOOKS BETTER.
IS BETTER!**

Features & Benefits

- ✓ Basin Pop Down[®] available in 32mm and 40mm suits with & without overflow
- ✓ Innovative quick remove cartridge
- ✓ Lifetime replacement guarantee on cartridge

When you think it's closed,
it's actually **OPEN**.

When you think it's open,
it's actually **CLOSED**.

- ✓ World Wide Patents Granted or Pending
- ✓ Available in a range of finishes

BERMUDA

FLOOR WASTES

The flagship of the Bounty Bathroomware range, the Bermuda floor waste system is a simple, discreet solution for any bathroom or wet area. Bermuda cleverly incorporates the selected floor tiles (or a feature tile) to blend beautifully with any environment. Water simply disappears from your bathroom / shower floor.

The broad range of Bermuda products ensures that there is a stylish option to compliment your new bathroom. The clever designs make for easy installation.

WATERMARK CERTIFICATION

All products listed in this catalogue have been tested to the relevant Australian Standards and carry the WaterMark Certification.

WaterMark™ is a product quality certification mark provided by independent certifying authorities. It confirms the product complies with the Plumbing Code of Australia and the relevant Australian Standards, which relate to product quality, including health and safety, and warrant that it is fit for purpose. WaterMark™ certification is mandatory for products to be legally installed in accordance with state and territory plumbing regulations. Products required to be certified are listed in the Plumbing Code of Australia and AS/N25 3500.

CARE INSTRUCTIONS

Electroplated finished products (Chrome, Satin Chrome etc.) should only ever be cleaned using warm soapy water and a soft cloth.

For complete care instructions and warranty details, please refer to our website.

NEVER use harsh cleaners or abrasive products to clean.

Scan QR code for product care instructions, or go to www.artaust.com.au
