

Siena Tile Range

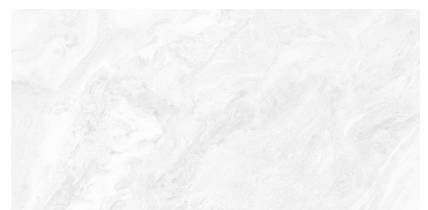

Siena Large Format

FLOOR & WALL TILES

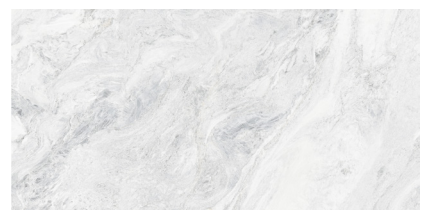

Elegant and versatile, the Siena Range brings a sophisticated stone-inspired look to any interior. Featuring soft veining and a gentle matt finish, it delivers a refined natural effect without overpowering the space.

Available in a 450x900mm format, Siena offers a balanced scale ideal for both small and large areas, from living rooms to bathrooms. The durable porcelain body makes it suitable for floors and walls alike.

Available in two colours, this range adds subtle contrast options while offering a neutral colour palette. Whether you're creating a serene retreat or a contemporary open-plan layout, Siena blends timeless style with everyday practicality.
