Montclair Limestone Range

Montclair Limestone

FLOOR & WALL TILES

Montclair Limestone Ivory offers the look of natural limestone in a durable porcelain tile. Soft ivory tones with subtle movement and light veining create a clean, natural finish suited to a wide range of interiors.

Ideal for bathrooms, kitchens and open-plan living areas, it provides the strength and low maintenance benefits of porcelain while maintaining a genuine stone appearance.

Perfect for floors and walls, Montclair Limestone Ivory pairs beautifully with timber accents, brushed metals and neutral palettes, delivering a calm, contemporary look that balances classic charm with modern performance.
