

Cronos

FLOOR & WALL TILES

Cronos Pompei Ivory is a timeless porcelain tile which blends classical elegance with modern design. Featuring a soft ivory base, it is enhanced by vintage-inspired detailing. Subtle tones of warm beige and gentle grey create depth while maintaining a refined, understated look.

The large-format 600x1200mm size minimises grout lines, delivering a seamless and spacious finish ideal for walls and floors. Crafted from durable porcelain, it is low-maintenance and suited to residential interiors like bathrooms, kitchens, and feature spaces.
