## Garden

### WALL TILE

Bring a touch of lush tranquillity indoors with the Garden Areca Light 600x1200mm ceramic wall tile. Featuring a soft, botanical design of layered tropical leaves in muted green tones, this statement tile creates a calming, nature-inspired backdrop.

Its large-format size minimises grout lines for a seamless, contemporary finish, perfect for feature walls in living spaces, hospitality settings, or bathrooms. This tile is an ideal choice for creating inviting spaces that feel fresh, airy, and connected to nature.
