FLOOR & WALL TILES

Bolgheri Opal Soft Stone captures the classic beauty of natural stone in a durable porcelain body.

This tile has an ivory-grey base and is enhanced by delicate veining in warm taupe, charcoal, and subtle golden tones, creating depth and movement throughout the surface.

The surface of the tile has been produced and machined to provide a beautiful feel under foot. Like the feel of the worn and natural patina of stone.

Perfect for creating elegant and luxe bathrooms, living spaces, and commercial interiors.
