Mosaicfx Glacee & Elements Ranges

Mosaicfx Glacee

GLASS MOSAIC TILES

The Glacee Mosaic range is great for both domestic and commercial use.

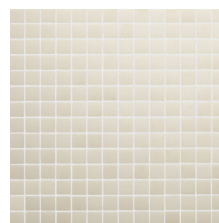

Capturing the essence of summer, these mosaics combine soft pastel tones in a fresh and inviting blend, creating a look that is both playful and sophisticated.

Made in a premium Spanish Factory.

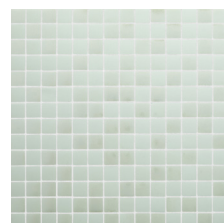

Excellent option for public/domestic swimming pools, spa pools and bathrooms. It features the use of 100% recycled glass throughout the manufacturing process.
